MEMORANDUM FOR THE RECORD

SUBJECT: Whistleblower Protection Act Enrolled Bill
Letter

1. On 11 April 1989, I received a call from Hilda Schreiber at OMB regarding the above subject. She stated that the enrolled bill letter dated 4 April had just arrived at OMB on 11 April and that the President had signed the legislation into law on 10 April. She also said that the issues discussed in the letter were inappropriate for that forum and that if necessary we should resolve them with the NSC and others. Enrolled bill letters should not address implementation of the law.

2. I explained that we simply wished to put on the record the points that we had made and thanked her for her telephone call.
